AFFORDABLE COLLINGWOOD LIVING

Welcome to 599 Tenth Street, nestled in the charming Vista Blue community in Collingwood.

This inviting 3-bedroom home offers a single-car garage, a private driveway, and access to visitor parking. With approximately 1,200 sq ft of living space on the upper levels, the open-concept main floor is designed for comfort and functionality. The kitchen features warm wood cabinetry, a breakfast bar and an island open to the dining area. Overlooking the sunken living room, this space is perfect for entertaining or relaxing, with direct access to the new backyard deck with privacy screen. Upstairs, you'll find a full bathroom and three bedrooms, including a primary suite with a private balcony and a convenient 2-piece ensuite. The fully finished basement adds valuable additional living space perfect for an extra bedroom, recreation room, home office, or gym. The basement also features a 2 pc bath. Enjoy the warmer months in the condo's outdoor pool - experience the best of Collingwood living, close to shopping, restaurants and access to the trail system right outside your door!
